HAY-ON-WYE CAFE 2024

EVENING

Welcome to Monkey Bunch Funky Munch in Tangerinefields at Hay-on-Wye Book Festival 2024. Where every day is a festival.

We started our journey at this festival and we've been delighting the book lovers with our funky ways ever since. We get our ingredients from the finest butcher **Small Farms** across the river, as well as the sweetest fruit and veg shop in town, **Castle Greengrocer**. We also teamed up with a local baker who makes our breakfast baps warm and fluffy. Whether you crave a Flat white, a Vegetarian wrap, or a Warm Croissant, we have something for everyone.

I want to take a second to talk about the complimentary teeny-weeny library we have here at the MBFM cafe. That complimentary teeny-weeny library has been a huge success, thanks to your awesome support for RSPCA and Red Cross charities. So please take a book and don't judge it by its cover, unless it's a cookbook.

Come and join the party at Monkey Bunch Funky Munch, where the staff are as fun as the name.

Bar closed on Wednesday 29th May
